

## Im Ain Ani Li

Performed by Craig Taubman, Justin and Jared Stein

Im ain ani li mi li  
Uchsh'ani lazmi mah ani  
V'im lo achshav aymati

Sunrise, sunset  
from the east to the west  
days are flying quick  
we gotta clean up the mess  
we gotta change the world  
for our sons and daughters  
reachin out our hands  
and helpin out our brothas  
1,2,3 and to the 40 go  
there's power in numbers I'll have  
you know  
you see, our job in this life  
is to leave the world  
feelin better inside  
than it did before  
you can't do it alone  
though you have the heart  
you may not even finish  
but you gotta start  
see NOW is the time  
to go all out

spread the word to your neighbors  
tell em what it's about  
It has come to my attention that  
without some intervention  
that this world cannot be entirely  
free  
I look around its time to see, see,  
see  
have you noticed how blind we  
can be, be, be  
Open your eyes assist the brothers  
and the mothers  
Open your eyes help yourself by  
helping others  
Take a couple steps to be kind to  
your neighbors  
you'll taste the sweetness in 18  
flavors  
If am not for myself who will be  
for me  
And If I'm only what am I  
and if not in this moment then  
when achshav (now)  
[Ethiopian chant "I cannot just be  
for me"]
