

Shalom Baolam

Performed by Rick Recht

People come in different colors
People think in different ways
When we love the difference in one another
Together we can make the world a better place

Shalom, shalom baolam
Shalom l'hagshim tikun olam
Shalom, shalom baolam
Shalom, shalom, shalom baolam

When we listen to each other
When we try to understand
When we respect the thoughts of everyone we meet
Only then can we expect true peace throughout our land

Shalom, shalom baolam
Shalom l'hagshim tikun olam
Shalom, shalom baolam
Shalom, shalom, shalom baolam

Together we are strong
When we say what we believe
We can make the future
A brighter place for you and me

Shalom, shalom baolam
Shalom l'hagshim tikun olam
Shalom, shalom baolam
Shalom, shalom, shalom baolam

Shalom Baolam

From the album "Tov"
