

## **Turn It**

Performed by Mah Tovv

The Torah is our life, it is the  
length of our days  
Its lessons still inspire us in so  
many ways  
So if you've got a question, open  
up and take a look  
After all, we are the people of the  
book

From how to love your neighbor  
To the way we treat the poor  
The proper way to hang your new  
mezuzah on the door  
Honoring your parents, how to  
hear the shofar's sound  
By peeling back the layers any  
answer can be found  
You've got to...

Chorus:

Turn it, turn it  
Again and again, for everything is  
in it  
Turn it, turn it, turn it again  
Turn it, turn it  
Again and again, for everything is  
in it  
Turn it, turn it, turn it again

It's not up in the heavens so that  
someone has to say  
"Who will bring it down for us to  
do and hear today?"  
The Torah is so close, it's in your  
mouth, it's in your heart  
But knowing that it's near is just  
the start

Study by itself is not enough for us  
to do  
Acting on these teachings is what  
it means to be a Jew  
Learning it and doing it are two  
halves of a whole  
Living Torah, being Torah, this is  
our true goal

Chorus

Ha-foch ba, va-ha-foch ba d'cho-la  
ba  
Turn it over and over again  
Ha-foch ba, va-ha-foch ba d'cho-la  
ba  
Turn it over and over and over and  
over  
And over and over again

Chorus

### **Turn It**

From the album "Turn It"

Music by Steve Brodsky, original lyrics by Steve Brodsky and Josh Zweiback,  
Hebrew text from Pirkei Avot 5:22
