

Kol Yisroel Chaverim

Performed by Yehuda!

It was a dark and cloudy day
rain fell upon the crowd
and all of those who'd gathered there
stood sadly with heads bowed.

They had come to escort
the man they so revered
He taught them life
for more than fifty years.

Grey suits that said 'Versace'
a shirt that said 'The Jets'
Chassidim wearing felt hats
their long coats and their vests.

Black yarmulkes of velvet
and knitted ones in white
a coat of many colors
shining bright.

Kol Yisroel Chaverim
Kol Yisroel Araivim
Kol Yisroel Chaverim
I will always be there for you
we're all one family
Kol Yisroel Chaverim.

They all joined in tehillim
and each one shed his tears
they all shared in the legacy
of their Rebbi through the years.

Never judge another
help all those in need
fear Hashem Above
the One that sees.

So look beyond the outside
to that which lies within
see what someone could become
instead of what he's been.

Share the light of Torah
ignite the spark inside
reach out and share
that special gift of life.

And when the winds of hatred blow
please ask yourself my friend
have you done all that
you could have done today
viahavta liriacha komocha
kol yisroel chaverim.

Kol Yisroel Chaverim
Kol Yisroel Araivim
Kol Yisroel Chaverim
We will always be together
we're all one family
Kol Yisroel Chaverim.
