

## We Are the Jews

Performed by Doug Cotler

We are the Jews  
And we are stupendous  
We will fight evil  
And all things horrendous  
We are the Jews  
We fight to survive  
We sometimes face danger  
But we're still alive

Pharaoh tried to enslave our people  
And he tried to keep us in our  
place  
He tried to stop us  
From worshipping our God  
We'll keep our traditions  
We'll laugh in his face

Haman wanted the Jews to bow to  
him  
He decided to kill us if we didn't  
obey  
He wanted to hang us  
But he got hung up  
Cause Esther and Mordechai  
Saved the day

Antiochus wrecked our holy places  
And he tried to push us around  
He tried to nail us  
But our light never failed us  
Cause the Maccabees came  
And hammered him down

And we're thankful that we  
Fought victoriously  
Gaal Yisrael  
Always came through  
And we take no delight  
In the pain or the fright of the  
fallen  
They're God's children too!

We are the Jews  
A light to the nations  
Pursuing justice  
And peaceful relations  
We are the Jews  
We've learned to survive  
By study and prayer  
We keep Torah alive  
Yes we're still alive
