

## King Without A Crown Performed by Matisyahu

### Chorus:

What's this feeling?  
My love will rip a hole in the ceiling  
Givin' myself to you from the essence of my being  
Sing to my G-d all these songs of love and healing  
Want Moshiach now so it's time we start revealing

You're all that I have and you're all that I need  
Each and every day I pray to get to know you please  
I want to be close to you, yes I'm so hungry  
You're like water for my soul when it gets thirsty  
Without you there's no me  
You're the air that I breathe  
Sometimes the world is dark and I just can't see  
With these, demons surround all around to bring me  
down to negativity  
But I believe, yes I believe, I said I believe  
I'll stand on my own two feet  
Won't be brought down on one knee  
Fight with all of my might and get these demons to  
flee  
Hashem's rays fire blaze burn bright and I believe  
Out of darkness comes light, twilight unto the  
heights  
Crown Heights burnin' up all through till midnight  
Said, thank you to my G-d, now I finally got it right  
And I'll fight with all of my heart, and all a' my soul,  
and all a' my might

### Chorus

### Bridge:

Me no want no sinsemilla.  
That would only bring me down  
Burn away my brain no way my brain is to  
compound  
Torah food for my brain let it rain till I drown  
Thunder!  
Let the blessings come down

Strip away the layers and reveal your soul  
Got to give yourself up and then you become whole  
You're a slave to yourself and you don't even know  
You want to live the fast life but your brain moves  
slow  
If you're trying to stay high then you're bound to stay  
low  
You want G-d but you can't deflate your ego  
If you're already there then there's nowhere to go  
If you're cup's already full then its bound to overflow  
If you're drowning in the water's and you can't stay  
afloat  
Ask Hashem for mercy and he'll throw you a rope  
You're looking for help from G-d you say he  
couldn't be found  
Looking up to the sky and searchin' beneath the  
ground  
Like a King without his Crown  
Yes, you keep fallin' down  
You really want to live but can't get rid of your  
frown  
Tried to reach unto the heights and wound bound  
down on the ground  
Given up your pride and the you heard a sound  
Out of night comes day and out of day comes light  
Nullified to the One like sunlight in a ray,  
Makin' room for his love and a fire gone blaze

### Chorus

Reelin' him in  
Where ya been  
Where ya been  
Where ya been for so long  
It's hard to stay strong been livin' in galus (exile) for  
2000 years strong  
Where ya been for so long  
Been livin in this exhile for too long
