

## **Part of Me, Part of You** **Performed by Brimstone 127**

### **CHORUS:**

Part of Me, Part of You, Para mi, Para Tu, Whatcha Gonna Do?  
Hip hop is in the place to be, throw your hands in the air if you're feeling free  
Part of Me, Part of You, Para mi, Para Tu, Whatcha Gonna Do?  
Throw your hands up, throw your hands up, throw your hands up

I'm stuck in a maze like a lab rat searching for cheese My energies allow me to freeze the negativities  
that seize my mind Like record companies that won't wanna sign a brother than rap - in fact I'll let you  
be the judge of that Determined to cross the country like an Amtrak railroad track Guaranteed to be  
lovely if Spam's a part of that A martyr to tracks and when I barter negotiations See there is no turning  
back

### **CHORUS**

Algorhythms and neurons use my brain as a dance space Make my spine tingle and I can't even stand  
straight At last fate congratulates the late breaks and Samples provided so the crowd gets excited If you  
haven't been invited just mention my self Not offending or pretending to be anyone else That I can not  
be, see if you was me, I'd probably ask myself to be more like you following?

### **CHORUS**

When I perform it's a storm a lyrical waveform And where I stay is a place that even Winter's stay  
warm I've seen 'nuff splinters get mentors and turn into trees I gotta small axe to chop down mcees and  
industries Rooted for centuries of hard work and destinies My personal legacy is the ability of my  
delivery Fertile and futile I'm like graffiti on the city While you are just a little tag my masterpieces are  
painted pretty

### **CHORUS**

They save the best for last that's why I've taken so long Making a strong decision, while most be  
making the wrong Hustling songs for loots with boots and troops on bicycles I heard around the way you  
cold like Popsicles My heart trickles, Your art is fickle when I venue Your just a dummy, I'm the  
ventriloquist that tells you When and where and who and how you need to behave Your just a slave or a  
freeman, Hip hop is part of me AND

### **CHORUS**
