

We're All In This *Megillah*

Megillah, megillah, megillah everyone
Megillah, megillah, it's Purim have some fun
Megillah, we're in there, listen to every line
Megillah, a thrill-a, a story that's divine

Read of how I'm from the Jewish nation
And I helped figure it out (yeah yeah)
When Haman schemed for our annihilation
I helped turn it about

I asked all Jews to skip some meals and pray
So that I could be strong (I could be strong)
To face the king
And ask him to save the day
Or I'd be gone before long

We're all in this *megillah*
Friend and foe
Here we are
Shushan's stars
You can read us

We're all in this *megillah*
And we know
Understand
It's a plan
Can you see it too

Megillah, megillah, megillah everyone
Megillah, megillah, it's Purim have some fun
Megillah, we're in there, listen to every line
Megillah, a thrill-a, a story that's divine

Have no fear
Kings always make the right choice
When finding the perfect spouse (yeah yeah)
I like deciding laws while drinking with the boys
That's when I never doubt

I contrive to wipe out Jews together
Don't think they'll hang on at all

We're all in this *megillah*
Friend and foe

Here we are
Shushan's stars
You can read us

We're all in this *megillah*
And we know
Understand
It's a plan
Can you see it

We're all in this *megillah*
And we teach
Miracles
God may hide
But can make them

We're all in this *megillah*
When I see
There's a chance
That we have
Then I take it

Cornered Hat thinks he's strong
Yeah, but before long he'll be gone
Cornered Hat's in the house
Everybody just don't bow

Cornered Hat's everywhere
Wave your graggers in the air
That's the way we do it
Let's get to it
Time to read the words

We're all in this *megillah*
Friend and foe
Here we are
Shushan's stars
You can read us

We're all in this *megillah*
And we know
Understand
It's a plan
Can you see it

We're all in this *megillah*

And we teach
Miracles
God may hide
But can make them

We're all in this *megillah*
When I see
There's a chance
That we have
Then I take it

Cornered Hat's everywhere
Wave your *graggers* in the air
That's the way we do it
Let's get to it
Come on everyone!
