

Strengthen One Another

Performed by Beth Schafer

Our strength lies in the power of our voices.

I've got a soul, I've got a spirit, I've got a heart and I've got a mind
I've got a voice, if you can hear it, we'll be just fine, we'll be just fine

Chorus:

Chazak, Chazak - we'll strengthen one another
Chazak Chazak - our voices they will rise
Chazak Chazak - you're my sister, you're my brother
And this world will fill with ruach before our very eyes

I've got a song, I've got a message, I've got a will and I've got a way
You are my gift, you are my blessing, so let us make this a special day

Chorus

With our voices we can speak, with our voices we can shout,
with our voices we can share
With our voices we can teach, with our voices we can touch,
we can show how much we care
With our voices we can sing and let our smiles hang in the air

Chorus

Strengthen One Another
