

## We Are As One

Performed by Milot HaNefesh

וְאַהֲבַתְּ לְרֵעֶךָ כְּמוֹךָ

V'ahavta l'rei-echa kamocho

Love your neighbor as yourself. (*Vayikra* 19:18)

We are standing on the verge of change,  
As nations rise to fight for peace,  
'Cause living in this crazy world is hard  
When brother fights his brother  
And sisters let their sisters fall.

'Cause we are searching for a brighter time,  
Where people share a common bond,  
'Cause in God's image we all came to be  
A light that shines on Zion,  
A blessing that we are as one.

לֹא יִשָּׂא גּוֹי אֶל-גּוֹי חֶרֶב  
לֹא יִלְמְדוּ עוֹד מִלְחָמָה.

Lo yisa goi el-goi cherev  
Lo yilm'du od milchamah

Nation shall not lift up sword against nation,  
Neither shall they learn war anymore. (*Isaiah* 2:4)

A blessing, we are as one.
